Sir:

KURT WECKSTROM declares and says that he is the inventor named in the above-described application;

THAT he has read the 24 claims allowed in the above-identified application; and

THAT the subject matter of said claims was part of his original invention.

The undersigned declarant declares further that all statements made herein of his own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

Date: February 5, 2003
